Q: Do I need a Sponsor to sign up as an Advisor?

A: Yes, you do. The easiest way to do this is to click on “connect with an advisor” to find someone in your local area, or contact Customer Service (see below for contact information), and one of our Customer Service Reps will be more than happy to assist you.

Q: How do I update my personal information?

A: Once you have signed in, click on the PROFILE tab. Please note that all blocks marked with a RED * are required in order for any updates to be made. Be sure to click SAVE after any changes have been made.

Q: How do I update my email address?

A:

1. Once you have signed in, click on the PROFILE tab.
2. Update your email address.
3. Click on the SAVE tab.
4. Be sure to email service@becomebeauty.com with your updated email address. We have 2 separate e-mail systems, which means if you update only your profile and do not contact us and let us know that you changed it, you will miss out on specials and discounts.

Q: Why is the system telling me that my e-mail address is invalid?

A: This means your email is already listed in our system, perhaps several times under yourself as a customer or as an Advisor. The system does not allow you to use the same email twice; therefore, you have a couple different options.

1. You can continue on using a new email address, or
2. You can Contact customer service (information below) and we can remove the other emails listed under your name and add a new email address for you.

Q: What is *become's* return policy?

A: When you click on the CONTACT US tab and you will be able to review our Return Policy.
